

FOG BOUND

THE TIME WALKER'S JOURNAL : BOOK 2

by Will Hogarth

WILL HOGARTH was born in 1966, and lives in the Northeast of England, in what was the heart of mining country but which is now more of a countrified commuter belt. Will is passionate about books: both reading

and writing along with having a love of the great outdoors and endurance sports. His favourite authors are: Derek Landy, Agatha Christie, Lee Child and Robert Jordan. A voracious reader, Will has an eclectic taste in literature. When it comes to writing, Will describes himself as "A dyslexic

Synopsis

What if the past wasn't set in stone? What if there were those that could walk the pathways between times?

Fog Bound The 2nd Novel By Will Hogarth

For Steve Thyme there is never any chance to recover. No sooner is one adventure over, and another one starts. A supernatural serial killer roams the streets of Victorian Durham and this time there's more than Steve's life at risk.

Steve must team up with one of his ancestors in order to save the future of the Thyme family line.
